

July 2019

Dear Parents and Families,

This summer term we have started off looking at Superheroes! We hope the children look forward to dressing up as Super heroes this week. We have been in touch with the police and fire brigade and are hopeful that they will bring a fire engine and police car to nursery for the children to explore! This links in nicely with our topic of 'people who help us'. Over the past couple of weeks the children have enjoyed exploring lots of different painting techniques creating some lovely pictures. They particularly enjoyed painting on foil and cling film in the garden!

Nursery News:

Unfortunately the large tree in the car park is being cut down. We have had the trees inspected and they have found a fungal disease that eats away at the roots of the tree. We have been advised to cut the tree down. This will be happening over the next couple of weeks.

This month we will be installing CCTV both in and outside the nursery. The aim is to provide a safer and more secure environment and to protect the nursery business in line with the expectation from our insurance company. Please find our CCTV policy on our website or policy folder which can be located in the undercover area.

Cathy and Mark Turney.

There have been a few changes on the menu for the Summer Term. Please find the menu displayed on the parent notice board. We are currently on week 2.

NEWS

Entrance Gate: We have noticed recently an increase in the amount of children using the key code and exit button to operate the gate. We would like to remind parents that this is a security feature to our nursery and that children should not be encouraged to use this.

Sports Day: We are planning to carry out some of our planned races on Friday 16th August in line with sports day. Once the children have had their picnic we will start the races.

Nursery Photos: If you would like to view your child's photos please speak to a member of staff. We have the photos available to view until Friday 19th July. If you are on holiday during this time but are still interested in purchasing your child's photo please email and we can arrange to keep hold of your photos.

Lost Property: Our lost property box can be found in the crate as you come into nursery. We have quite a lot of unclaimed items of clothing; we would appreciate it if you could have a quick look to see if any of the items belong to your child. Over the next week we will have the items out during drop off and collection times to make it quicker to have a look. If you are able to label your children's clothing this will help us to return items much more efficiently. **All items left unclaimed in the lost property box will be used for spare clothes from 31/07/2019.**
